Political Engagement Report

Introduction

JPMorgan Chase believes that responsible corporate citizenship demands a strong commitment to a healthy and informed democracy through civic and community involvement. Because of the potential impact public policy can have on our businesses, employees, communities and customers, we engage with policymakers in order to advance and protect the long-term interests of the Firm.

This Report contains information supplemental to the Firm's [Political Engagement and Public Policy statement](#) for calendar year 2023.

Corporate Ballot Initiative Payments

The firm made no corporate payments to support or oppose a ballot initiative during the calendar year. A semi-annual supplement to this section will be posted to our website in the event the Firm makes such a payment in the first half of a calendar year.
